Vision Statement

Our vision is to be the global center for knowledge creation and dissemination through the scientific enquiry in all the spheres of human life based on the noble eightfold path and the principals of service to the humanity.

Mission Statement

Our mission is to achieve the global standards of academics steered through contemporary research blended with traditional knowledge and service to humanity by creating suitable systems, mechanism and infrastructures. The mission of the University entails:

- To achieve excellence and to keep pace with the international standards by strengthening teaching and research environment.
- To focus on developing the academic rigor blended with co-curricular activities that develops entrepreneurial and employable candidates for the society
- To develop the pool of talent equipped with professional skills, strong ethical and moral values and leadership qualities which can help in contributing towards the development of the local, regional, national and global development.
- To design and implement the courses, suitable modern systems and mechanism that enables the skills, nationalism and value-based learning among the students of the University and its affiliated colleges.
- To create an environment that attracts the international talent and provide safe and suitable platform for cross-cultural learning of skills and values.
- To run centers of excellence that conduct research, training and capacity building in the area of religion, science, social theories, international issues and entrepreneurship. To create modern, sustainable, green and eco-friendly environment systems and infrastructure that supports academic environment and contemporary research.

Our Inspiration

Smt. Anandiben Patel
Hon'ble Chancellor & Governor
Uttar Pradesh

From the Vice Chancellor's Desk...

Inspired by Buddha's word of wisdom 'Atta Deepo Bhav' emphasising 'Be a light unto yourself', the Siddharth University encourages students to overcome ignorance through personal enlightenment. The university hand holds to foster an environment of self-

discovery, solid foundation of knowledge that provides strong and upright values, a vision that can see positivity, Galaxy of bright ideas, clear communication skills as well as flexibility across culture of learning in her students. Presently, Siddharth University offers education across three faculties: Arts, commerce, and science for undergraduate, postgraduate and doctoral students. With the National Education Policy 2020 and the choice based credit system, students can customise their educational journey as the university incorporates vocational courses and man-

agement studies, providing diverse job opportunities. Equipped with modern infrastructure, high speed Internet and residential facilities the learning experience is significantly enhanced. The faculty members recognised nationally and internationally, are dedicated mentors who nurture growth and research. Pandit Deen Dayal Upadhyaya Shodhpeeth and International Buddhist Centre promotes scholarly enquiry in spiritual and international learning. With strong state support and partnerships the Siddharth university aspires to help individuals at both educational and social levels in their pursuit of personal and academic excellence. I believe, this quest of untiring service to nation building will help in proving ourselves as true Siddh 'arth'.

The learning continues...

Vice-chancellor
Siddharth University, Kapilvastu

About Siddharth University

Situated in the abode of lord Buddha, Siddharth University (SUK) was established as a State University, in June 2015, at Kapilvastu, Siddharth Nagar, Uttar Pradesh, India. The University has an objective of enlightening and igniting the young minds while blending traditional wisdom with modern education. This center of higher learning is focused on serving the world with the qualified and skilled manpower who have high moral and ethical values. Over a period the University has gained its reputation for its academic distinction and adapting the contemporary practices with agility and speed, in academic process, community engagement, technology and in governance.

The academic programs are focused in developing the employability and placeability of the students. The regular

counselling support, with a focus to empower the students, enables them to explore themselves and be ready for the environmental challenges. The multidisciplinary environment is enriched with academic discussion platforms and research centers such as Pt. Deen Dayal Upadhyay Shodh Peeth and International Buddhist Center, and Siddharth Incubation Foundation.

The University caters to all the sections of the society. It extends support to socially and economically weaker sections of the society through its cost effective measures and scholarships. The institution has gained its position for its academic prowess We invite you to be a part of this institution and embrace the divine learning at the land of Buddha, at Kapilvastu.
